WHY IS HARVEST THANKSGIVING IMPORTANT?

The celebration of Harvest Thanksgiving does what it says on the tin! It is about giving thanks to our Creator GOD for harvest that has been gathered from the fields and the sea, and to show gratitude for the food that we have. It is also about giving thanks good things in our lives, such as family and friendships — and about sharing the harvest locally with those in need.

The Thanksgiving dates back to when people relied on crops for food and farmers would give thanks for a good harvest. Indeed, history traces a thanksgiving for harvest to cultures and peoples that pre-date Christianity.

As Christians, we believe offer the celebration as a reminder of God's faithfulness in continuing to provide for humanity.
