To all in our Parish of Clonmany.

*This is to say 'thank you' to everyone who contributes to our parish envelope collection. This collection, and your support of it, is the backbone of our Parish Family, enabling us to be a place of faith and belonging.*

*Thanks to your generosity, we are able to maintain our (very) beautiful chapels, support vital outreach needs, pay the bills, and ensure that the sacraments and ministries continue to touch the lives of everyone in our parish who want this in their lives and in the lives of their family.*

*Looking forward, your generosity allows us to imagine ways of connecting with our youth, offering 'adult faith development' opportunities, and creating a welcoming space where everyone can find spiritual nourishment and community. In challenging times, your support is truly a testimony to our shared values and hopes.*

*I want also to acknowledge those who organise and run this funding of our parish – including, of course, those who give their time to help collect donations. On behalf of our Parish Family, we thank you for your kindness and commitment.*

*Lastly, if you are not part yet of this funding outreach in our parish (and are in a position to do so), perhaps you might consider asking for a box of envelopes. For it is true – every little helps!*

*With sincere gratitude,*

*Fr Kevin  
(with our Parish Financing Team)*

**Clonmany Parish NEEDOMETER**

**WHAT WE NEED**

As the saying goes:

**IF NOT US, WHO?**

**IF NOT NOW, WHEN?**

**WHAT WE HAVE**

Please bring your piece of the jigsaw

A parish that has the energy of parishioners is growing ... a parish that has many unanswered needs is becoming irrelevant.

We're up against it, trying to make faith in Jesus alive in a world that has many ways of making it dead. In terms of young people and young families, we're being steamrolled!
