A NOTE FROM BISHOP MCKEOWN

SSPX Resistance Ireland

SSPX Resistance is a group holding Masses within the territory of the Diocese of Derry. Given their presence here in the Diocese of Derry, I find it necessary to stress the following:-

- The priests associated with SSPX Resistance Ireland are not in full communion with the Catholic Church and they do not accept the full teaching authority of the Church.
- The priests of SSPX Resistance Ireland administer sacraments, but do so illicitly—that is, without the necessary faculties and approval of the Church.
- The Catholic Church has no supervision whatsoever of the priests or ministers of SSPX Resistance Ireland, who have no connection with the Diocese of Derry in terms of Safeguarding practices and policies and are not overseen by the Bishop of Derry.

Considering this information, I urge all the faithful to remain steadfast in communion with the Church, united with the Holy Father and the bishops who share in full communion with him. Let us continue to pray for the unity of the Church and for those who have distanced themselves from full communion, that they may one day be reconciled.

COME,

LISTEN

AND HEAR HIS STORY!

Carlo Acutis (3 May 1991 - 12 October 2006) was a British-born Italian website designer who documented Eucharistic miracles and approved Marian apparitions, and catalogued both on a website he designed before his death from leukaemia.

Acutis was noted for his cheerfulness, computer skills, and devotion to the Eucharist, which became a core theme of his life. He was beatified by Pope Francis on 10 October 2020. After a second miracle attributed to the intercession of Acutis was confirmed in May 2024, Pope Francis granted approval in July 2024 to continue forward with canonization, which is scheduled for 27 April 2025.
